Security Awareness Training

## Why Choose KNC?

## Experience

We provide **cybersecurity consulting, assessments, and managed security services** for a diverse range of industries, including Government, Defense Industrial Base, Transportation, and Small to Medium Businesses.

With our services, we help organizations throughout their cybersecurity lifecycle, from implementation of a cybersecurity program, to maintaining a resilient cybersecurity posture. We are passionate about great customer service. Experience our **Red, White, and Blue Glove Service**.

KNC has extensive experience working with a multitude of Defense Industrial Base Contractors in Aerospace, Manufacturing, Transportation, Technology, Space, and Small and Medium Businesses. KNC works with the City of Los Angeles Information Technology Agency, the LA County Metropolitan Transportation Agency, the City of Vernon, the CA Department of Corrections and Rehabilitation, the CA Public Utilities Commission, and the Air National Guard.

## CMMC (CYBERSECURITY MATURITY MODEL CERTIFICATION)

As an Authorized CMMC Third Party Assessment Organization (C3PAO) through the Cyber AB, and as consultants to the DIB we bring a wealth of experience in evaluating and implementing various Cybersecurity frameworks. Our expertise spans NIST 800-171/CMMC, NIST CSF, NIST 800-53, and CIS.

- ★ CMMC Preparation Consulting
- ★ CMMC Mock Assessment
- ★ CMMC Certification Assessment

## CYBER RECON

**CyberRECON** Cyber Recon is a customized assessment that helps organization's identify their current vulnerabilities, internal and external, and how to fix them.

## PENETRATION TESTING

**PenTest** A penetration test, or pen test, is a simulated, authorized cyber-attack on a network or web application to test its defenses. We offer internal, external, wireless, and physical pen tests.

## VIRTUAL CHIEF INFORMATION SECURITY OFFICER OR CISO SUPPORT

**vCISO** KNC has a team of deeply experienced CISOs available to support your business. Not all organizations have access to a dedicated Chief Information Security Officer to help them navigate the various challenges presented from a regulatory, governance, and general security risk perspective. Many CISOs need an additional resource to help them when needed.

## KNOWBE4 AS A SERVICE

**KB4aaS** KnowBe4 is the world's largest Security Awareness Training and Simulated Phishing platform. We use it and actively manage the platform for our clients. We can do the same for you.

## PATCH MANAGEMENT AS A SERVICE

**PMaaS** Constant vulnerabilities, limited staff, & limited time. Does that sound familiar? Let us help you. We can provide managed patching of Operating Systems, Applications, Network Infrastructure, and Cloud Systems.

## ATOMUS AEGIS POWERED BY KNC

 **Atomus** A managed Microsoft 365 GCC-High service designed for CMMC compliance that is managed by our own managed service provider, Atomus Corporation, who helped us pass our own DIBCAC assessment as a C3PAO.

## FEDERAL GOVERNMENT SERVICES

 KNC holds a GSA Contract (47QSMD20R0001) for Highly Adaptive Cybersecurity Services (HACS). We work with the CISA Assessment Evaluation and Standardization (AES) program to conduct non tier-one assessments of High-Value Assets (HVA) for state, local, tribal, and territorial organizations.

## US VALOR

**US VALOR** **US Veterans Advancing Through Learning, Opportunities and Resources (US VALOR)** is a nonprofit formed by KNC that helps veterans get in to the Cybersecurity Workforce, and provides a Cybersecurity Apprenticeship Program to transitioning US military service members and new veterans. [usvalor.org](http://usvalor.org)

At **KNC Strategic Services**, we believe in making a difference.  
We commit 10% of our annual profits to support military and veteran families in need.
